

1 Homework F

- **Due: Friday, September 18, 2:45 PM**
- Please refer to the [syllabus](#) for homework policies.
- If you explicitly do not want your submission to be considered as a solution key, please state so clearly at the top of your submission.
- If you put your solutions for different problems on different pages (e.g., with the `\clearpage` command) that would be appreciated.
- *In lecture class, I introduced two problems. But I realized one of them was wrong. The remaining question is about k -cut.*
