

# 1 Homework M

- **Due: Friday, October 16, 2:45 PM<sup>1</sup>**
- Please refer to the [syllabus](#) for homework policies.
- If you explicitly do not want your submission to be considered as a solution key, please state so clearly at the top of your submission.
- If you put your solutions for different problems on different pages (e.g., with the `\clearpage` command) that would be appreciated.

## Problems

1. Exercise 1 in the [typed notes](#).

---

<sup>1</sup>I was late putting this up, so I pushed back the due date.
